MASKING

Description

- Saturated semi-crepe paper pressure sensitive adhesive tape, ivory or yellow, designed for masking

Typical Applications

- General purpose and DIY applications

Features

- Saturated crepe paper
- Adhesive based on cross linked natural rubber.

Properties

- High conformability
- Easy tear
- Good mechanical strength
- Instant adhesion, sticks to a wide range of surfaces

Benefits

- Easy application on curved profiles and irregular surfaces
- Clean and precise removal
- Practical use without waste

Physical Properties

Backing: Saturated semi-crepe paper 59 g/m² (108 μm)

Color: Ivory or yellow

Adhesive: Cross linked natural rubber

Total thickness: 125 μm

Adhesion to steel: 230 gr/cm

Tensile strength: 4 Kg/cm

Elongation at break: 9%

Temperature use range: 50°C for 60 minutes

Storage recommendation

Store the tape preferably horizontally, under normal conditions of 15÷30 °C and 50% R.H., in the original carton and in a dry place.
